Inquiries Solicited.

Doctor L. E. Kittrell, Socorro's newly appointed postmaster, assumed the duties of his office at the close of business Tuesday evening. Since that time he and his efficient deputy, Miss Effie Berry, have made rapid progress toward a mastery of the situation and the public may hereafter expect as good mail service as extreme care and courtesy can possibly afford. While there was formerly considerable complaint in regard to the service at the postoffice, ex-postmaster Estevan Baca and his obliging deputy, Conrado C. Baca, have recently left little to be desired in way of prompt and efficient service.

Ports and Angelica wines at the Palace Saloon.

Blessed Rain.
It has rained in Socorro. The long drouth was broken Thursday evening by a fine shower that lasted about half an hour and thoroughly drenched the thirsting earth. The rain fell gently at first as though to avoid causing nervous prostration to people who had not seen a good shower for nine months. It soon assumed a business like air, however, and came down in torrents, to the manifest delight of all beholders. Now that it is known to be possible for it to rain in Socorro better things are hoped for in the future.

Mr. Charles Adams of Booneville, Mo., and Miss Edna E. Ensminger of Oklahoma City, Oklahoma, were married at the home of the bride Saturday, July 26. Mr. Adams is a traveling salesman employed by the Sadley Co. of Kansas City. The bride is a niece of Miss Sadie Murphy of the Park House and formerly resided with her parents in Socorro.

PROBATE COURT PROCEEDINGS.

At the regular July term of probate court of Socorro county there were present José E. Torres, probate judge; E. V. Baca, deputy clerk; M. Baca, deputy sheriff; Julian J. Trujillo, interpreter. The proceedings were as follows:

In the matter of the estate of J. J. Lopez, deceased, objections to the approval of the report of Abran Abeyta were overruled. José A. Lopez, one of the heirs of the estate, was ordered to turn over to the administrator all personal property belonging to the estate. A new bond in the sum of \$2,500 was presented by Abran Abeyta, administrator, with Ricardo Abeyta and G. Biavaschi as sureties, and the same was approved. A new inventory by the administrator was ordered. The court granted an appeal to the district court on the ruling concerning the objections to the administrator's report.

Miguel Padilla was appointed administrator of the estate of Carlos Padilla and Miguel Padilla, deceased, and required to give bond in the sum of \$2,220. Miguel Padilla and Juanita G. de Padilla were appointed administrators of the estate of Carlos Padilla, deceased, and required to give bond in the sum of \$1,200.

The last will and testament of F. Griego, deceased, was filed and approved and Juan Montoya was appointed administrator of the estate.

Mauricio Miera, administrator of the estate of Juanita Lopez de Miera, presented an inventory of the property of said estate and the same was approved.

Bonifacio Abalos was appointed guardian of the person of Beatriz Cordova.

The last will and testament of Francisco Chavez y Garcia, deceased, was filed and approved.

Eduardo Bransford was appointed guardian of Maximiano Griego and Virginia Griego, minors, on petition of the father of the children, Maximiano Griego.

The last will and testament of Julia T. Racine was filed and approved. John Greenwald was appointed administrator of the estate under bond of \$10,000 with H. M. Dougherty, H. Chambon, and M. Loewenstein as sureties. L. E. Kittrell, A. D. Coon, and W. G. Hammel were appointed appraisers of the estate.

H. Bonem, administrator of the estate of A. B. Ely, deceased, filed his final report and the first day of the September term of the court was fixed as the day to pass upon such report.

Charlotte Cortesy was appointed administratrix of the estate of A. Cortesy, deceased, under bond of \$5,000. John Greenwald, M. Cooney, and M. Loewenstein were appointed appraisers of the estate.

The hearing and proving of the last will and testament of W. S. George, deceased, was set for the first day of the September term of court.

The report of Mrs. Helen Van Pelt, guardian of the Osborn minors, was heard and approved. Adjourned.

Lively Day in Socorro Real Estate.

Thursday was doubtless the liveliest day in real estate transactions that Socorro has had in many years. There were three transfers of valuable pieces of property. Abran Abeyta deeded to W. H. Byerts two lots on Manzanares avenue adjoining Price Bros. & Co. store on the west. W. H. Byerts transferred to Mrs. Francisca G. Towle the Preston property on Fischer avenue. Mrs. Towle gave Abran Abeyta a deed to the entire block on which are situated the large residence which she has occupied for many years and the Garcia opera house. This last transaction puts a quietus upon a vexatious law suit that has been pending in the courts for some time. Mr. Abeyta will at once inaugurate some needed improvements on his newly acquired property, and may possibly convert the residence into a hotel.

ENCAMPMENT OF CO. H.

Everything Now in Military Order at "Camp Brown."—Citizens Cordially Invited to Visit the Soldier Boys.

Company H went into camp this morning at "Camp Brown," so named in honor of C. T. Brown of this city for his many courtesies to the company. The company is one of the best equipped and in every way up-to-date companies in the territory and the expense to its members has not been one cent. Neither has the equipment of the company cost the citizens of Socorro a cent, the money recently donated so generously being for encampment expenses not provided for by the government. The results achieved have cost Capt. Matthews and his company a great amount of hard work, and a little encouragement and a proper expression of appreciation on part of citizens would be a small recompense.

Camp Brown is located a short distance north of the Santa Fe station. Everybody is cordially invited to visit the camp and take a look at his soldier boy friends in their military quarters. Genuine soldier life prevails. This will be a novelty to the boys themselves and to many of their guests as well. One of the attractions of the encampment will be a military ball at the camp Monday night. This dance will be free and everybody is invited to attend. A good time is anticipated.

In addition to his work in command of Company H Captain Matthews has organized a cadet corps of small boys who will be trained up in the way a soldier boy should go.

COURT IN CHAMBERS.

Hon. Dan'l H. McMillan, judge of the district court, was in the city Thursday and Friday to attend to such official business as might require his attention.

The most important matter brought before the court was that concerning the mandamus issued at the last regular term of the district court requiring the county commissioners of Socorro county either to make a special levy to pay the judgments of Sheriff Blackington, E. V. Baca, and the New Mexican Printing Co., amounting in all to about \$11,000, or to issue bonds for that purpose. The county commissioners held a special meeting Wednesday at which they passed a resolution to issue bonds to pay the said indebtedness. The reason for this action is found in the belief that to pay all this indebtedness during the current year would raise the levy to such a degree as to make it a grievous burden upon the tax-payers.

A motion for a new trial made by the plaintiff in the case of Dye vs. Creary was overruled. This is the compromise mine case that attracted much attention at the last term of court. At that time a verdict for the plaintiff was rendered under direction of the court.

Mrs. Elisia B., wife of Felipe Bourgingnon, was committed to the insane asylum.

New Cases Filed.

New cases have been filed in the office of the district clerk as follows: Territory vs. Samuel Hale, Francis L. Backer, and C. F. Blackington, scire facias; same vs. T. C. Watkins, Sam Chisum, and Milt Craig, same; same vs. Alfred A. Sheppard, D. B. Sonells, and J. N. Broyles, same; Eugenio Abeyta vs. Juliana Espinosa, divorce; W. R. Morley vs. James Ward; Daniel H. Bailey vs. Elizabeth Jane May Bailey, divorce; Lulia F. Lohman vs. John Fred Lohman, divorce; In the matter of the insanity of Elisia B. Bourgingnon; Charles G. Cruickshank and Alex Cruickshank vs. William H. Sanders, account.

A happy crowd of young people spent Thursday evening at the Van Pelt farm two miles south of the city. Refreshments, music, and games constituted the impromptu programme for the evening. The party consisted of the Misses Horn, Kiehne, Stamps, Landon, and Osborn, and Lieut. Swisher, Corporal Landon, Sergeant Hult, and Privates Geo. Kline, Frank Sickles and Percy Osborn.

True Economy

The difference in cost between an alum baking powder and the highest-class cream of tartar baking powder would not amount for a family's supply to one dollar a year.

Dr. Price's is the standard cream of tartar baking powder. It makes the food delicious and healthful.

NOTE.—You cannot, if you value good health, afford to use cheap, low-grade, alum baking powders. They are apt to spoil the food; they do endanger the health. All physicians will tell you that alum in food is deleterious.

Elfege Baca has shipped his household and office furniture to El Paso and he and his family will also take their departure for the Pass city at once, where Mr. Baca will enter upon the practice of his profession. He has many friends in Socorro county who will wish him good fortune in his new field of activity.

A flurry of excitement was caused in the city Tuesday afternoon by the report that a shooting affray had taken place at the home of Pedro Zamora a short distance north of town. It seems that Zamora's gun was discharged by some means and inflicted a slight flesh wound upon his step-daughter just above the waist. Zamora stated that the discharge of the gun was an accident and the young woman corroborated the statement.
